

Brighton Homes is excited to announce that one of our newly built [Eagle ID homes](#) will be featured in next month's [Boise Spring Parade of Homes](#).

The Parade home is located in our Homestead community and is based on the new Blackwolf design. This generously sized single-story home is 2,870 square feet with 3 bedrooms and 2.5 baths. The L shape formed by the garage wing creates a courtyard feel at the entry. Dormers and double gables on both sections give this home style and presence. An open family room with a fireplace anchors the center of the home. The kitchen has a walk-in corner pantry and stainless steel Bosch appliances. Just off the kitchen is a den that could be used as a home office, TV room, or guest bedroom. Down the hall is a media room with a large closet that would be ideal for storing games and entertainment equipment.

The main bedroom in the Blackwolf is located away from the other bedrooms and has a door to the back patio. You'll love the luxurious en suite bath with a double sink vanity, separate tub and shower, and spacious walk-in closet. Both secondary bedrooms are on the opposite side of the house. Each has a walk-in closet and they share a full bath.

This home has abundant storage space including a large linen closet and a storage area in the 3-car garage.

Design details in our Blackwolf Parade home include a gorgeous quartzite waterfall countertop on the kitchen island and amazing tile selections in the kitchen, baths, and laundry room.

Homestead is a growing community with a refreshing country feel. It has walking and biking paths, tree-lined streets, green spaces, a playground, a swimming pool, and a pavilion. Homestead is also convenient to Boise and Meridian as well as recreational areas like Eagle Island State Park and the Boise River. Living here lets you enjoy the best of both worlds!

The Boise Spring Parade of Homes is scheduled for May 7-22. Hours are Tuesday-Thursday 5-8 p.m. and Friday-Sunday noon-8 p.m. Homes are closed on Mondays. The Parade takes place throughout the Boise area and is sponsored by the Building Contractors Association of Southwestern Idaho.
