

Brighton Homes is honored to be your preferred [new home builder in Boise ID](#). We work hard all year to make our customers' homeownership dreams a reality.

This holiday season, we'll be taking a short break at Christmas and New Year's to spend time with our families and celebrate the season. While we're out of the office, you can still browse our homes online and even tour our model homes using the Self-Guided Tour program.

For Christmas, we'll be closed on December 24th and 25th. Normal hours will resume on December 27th. We'll be closed on December 31st and January 1 for New Year's. We'll open again on January 2nd.

[Self-Guided Tours](#)

Our self-guided tour program allows you to visit some of our model homes on your schedule. Participating models can be toured between 8 am and 8 pm on days when they aren't normally open. Feel free to visit more than once and to make additional visits during normal open hours.

When you're ready to visit a model, go up to the front door of the one you want to tour, find the serial number on the lockbox, and text it to 888-883-1193. You'll receive a link by text. Follow that link to register with Rently and verify your identity. Registration requires a one-time \$.99 identity verification fee. After that, each tour is free. If you're already a Rently member, you can skip this step!

Once you've been verified, you'll get a code to unlock the door. Go inside and lock the door behind you. Take as long as you like to walk through the home.

When you're ready to leave, be sure to close the door firmly behind you and relock the door by holding the checkmark symbol on the lockbox for 5 seconds.

It's that easy!

We currently have 3 model homes enabled for Self-Guided Tours. They are located at:

- 3259 W Antelope View Dr., Garden City, ID (Cartwright Ranch)
- 18205 Trautman Ave., Nampa ID (Arbor)
