

Cadence at Bainbridge is our second active adult community of [homes in Meridian ID](#). Our award-winning first Cadence community is sold out. We created Cadence at Bainbridge to meet the continuing demand for 55+ active adult communities in the Treasure Valley.

When you live in Cadence, you can enjoy a low-maintenance lifestyle, planned social activities and on-site amenities. Instead of mowing the lawn on the weekend, you can go swimming or take a relaxing walk. When heavy snow falls in the winter, you can enjoy a cup of hot chocolate while the maintenance team plows your driveway.

The Cadence clubhouse has an indoor pool and spa, fitness room and billiard table. Outdoors you'll find pickleball courts, a community dining patio, walking paths and green spaces. Social activities are planned by our Lifestyle Coordinator and may include exercise classes, board game nights and food truck visits. Golf courses, restaurants, shops and a grocery store are all nearby.

All homes in this gated community are smart home enabled and 100% Energy Star certified. Home designs feature luxurious interiors and stylish exteriors with options for customization.

You can choose from more than a dozen home designs in Cadence. We offer one and two story homes ranging from 1,545 to 2,160 square feet with two or three bedrooms, two or three baths and two or three car garages.
