

Families that make their [homes in Nampa ID](#) are fortunate to be surrounded by plenty of opportunities for free outdoor fun. The Treasure Valley has numerous parks, natural areas, and water features to keep your family busy all year round.

Here's a sample of the free recreational areas you can find in and around Nampa:

Lake Lowell Park

Lake Lowell covers 8,800 acres. You can view almost the entire lake from an observation deck on the hiking trail. Bring the family and spend a day hiking, fishing, swimming, boating, and picnicking in the 20-acre park. It's also a great place for birding and wildlife watching.

Deer Flat National Wildlife Refuge

Bordering Lake Lowell Park, the refuge is ideal for hiking, picnicking, camping, and fishing.

Wilson Springs Ponds

Bring your fishing rod to catch bass, trout, and other species, or just enjoy the birds and wildlife.

Lakeview Park

You'll find plenty to do at this 44-acre park with sports courts, ballfields, a playground, a bike trail, a swimming pool, picnic areas, sand volleyball, and horseshoes.

Osborne Park

Disc golf is the big attraction at Osborne Park. You can also take a walk or bring the kids to enjoy the playground.

Amity Dog Park

Nampa has outdoor fun for dogs, too! The dog park covers 6 acres and has sections for large and small dogs. There's even a pond for them to swim in!

If the recreational opportunities in Nampa ID sound good to you, come and tour Arbor, our new home community in Nampa. You'll love the outdoor amenities including a pool, walking paths, a playground, and open green spaces.

Arbor is a beautiful community of modern farmhouses and urban designs. Choose from one and two-story homes with 3-4 bedrooms and 2 or 3-car garages.

Every Brighton home in Arbor has natural hardwood floors, Energy Star Bosch appliances, fully fenced back yards, and landscaped front and back yards.

We have several inventory homes available for purchase now. Two homes are move-in ready and one is scheduled for completion in May, with more on the way to be completed by fall to the end of 2023!
