

Choosing your ideal house plan from a [home builder in Meridian ID](#) is one of the most enjoyable steps of building a new home in the Treasure Valley. You have the opportunity to pore over dozens of plans, looking for the one that best fits your needs.

At Brighton, we strive to create home designs that are of consistently high quality and variety to suit almost any buyer's unique needs. Browsing our [home designs](#), you'll find everything from 2 bedroom single story plans to 4 bedroom two story homes.

The Hudson home design fits right in with the best of what Brighton offers in new home construction. This spacious two-story home is 2,415 square feet with 3 bedrooms, 2.5 baths and a 2 car garage. Let us show you around!

The main floor of this home centers around open plan living areas. With the kitchen, family room and dining area forming a large, airy living space with multiple windows with views to the fully landscaped back yard. A fireplace and built-in shelving add function and style in the family room. The main floor also features a private den, and well-appointed functional spaces like, powder room and mud room.

On the second floor of the [Hudson](#), you'll find the primary bedroom suite. The bedroom stands out with added details like the decorative tray ceiling and ensuite bath with separate tub and shower. The other two bedrooms, which share a full bath, are thoughtfully positioned away from the primary suite to enhance privacy. There's also a media room for movie nights, or it could be used as a man cave, children's playroom or hobby area. Functional laundry and additional hall closet space round out the second floor.

Appealing features inside and out, the exterior of the Hudson features stone and siding with Craftsman details. You can enjoy relaxing outdoors in the cozy front porch sitting area or on the impressive 31' long back patio - that's a lot of space for grilling and chilling on cool summer nights!
