

Are you looking to move into a 55+ community of [Meridian ID homes](#)? If so, we invite you to come and check out our new model that just opened at Cadence at Century Farm.

The model home is built on our [Minnie Belle](#) floor plan. At 1,590 square feet with 2 bedrooms and 2 baths, this single-level home has an efficient layout for daily living and plenty of entertaining space. The family room features a cozy fireplace flanked by built-in shelves and cabinets. In the dining area, a door to the side patio makes it easy to step outside to enjoy after-dinner drinks or conversation. A seating area at the kitchen island is ideal for quick snacks or breakfast. Stainless steel Energy Star certified Bosch appliances add beauty and efficiency to the kitchen. The large corner pantry provides plenty of storage. Main bath features include a double sink vanity and a tiled walk-in shower. Throughout the home, large windows create a spacious, airy feel.
